

FUN DATING IDEAS

MOVIE DATE

Invite a group of friends over for movie night with the family. Watch a movie and have popcorn with your family. Everyone will enjoy the time together. Take turns with your friends having movie night at their houses too.

DINNER DATE

Get a group of friends together to go out to eat and see a movie. It's always more fun in a group. See the movie before dinner and use dinner to talk about the movie, what you liked, what you didn't like. See the movie after dinner then go out for ice cream and talk about the movie.

GAME DATE

Invite a group of friends over to play *Wii Dance Revolution*. Have a contest with your parents as judges to pick the best dancer in the group. Or play *Guitar Hero* and have a contest to see who plays guitar the best. Have snacks prepared and have fun.

BE A CHEF DATE

Invite a group of friends together to create a meal for the group. Assign everyone a part of the meal to prepare from the meat to the vegetables to the sides and the bread then dessert. Invite your parents to eat with you and enjoy the time together in the kitchen learning about one another.
